Child Youth and Family Services

The Child Youth and Family Services Program at the Boys and Girls Clubs of Central Vancouver Island is a referral based program (rather than registration based).

All children and youth who are referred to the CYFS Program must have an active Ministry of Children and Family Development (MCFD) file and referrals must be submitted by either their social worker, Child & Youth Mental Health (CYMH) clinician, or probation officer.

For more information on accessing the Boys and Girls Clubs of Central Vancouver Island's CYFS program, please contact BGCCVI Administration and ask to speak to a CYFS worker:
