

Ministry Consent Form For Foster Parents

The Boys and Girls Clubs of Central Vancouver Island facilities are busy places with many field trips and special events going on. There are many forms that need to be signed in order for children to attend these activities. It is important to us that children do not miss out on any opportunity due to confusion over who can sign for the child.

Therefore, this form has been created to give Foster Parents the opportunity to sign on behalf of the children in their care.
